

Lady Red

Affectionate, dramatic and full of life! Red does everything with gusto! Red came to the shelter underweight and under socialized. She has since grown into a BEAUTIFUL young girl. A work in progress, Red knows sit, shake AND 'high five'. She's also housebroken and crate-trained. Red likes other dogs although her excited play style can be overwhelming to some. Red is very smart and eager to please. She would like to continue her 'higher education' to learn all of her manners in 'school'. Red is affectionate and sweet and would love to join a dog-savvy family who would help her to continue to blossom. Red likes kids. Her ideal family would be experienced, active, with a fenced yard and other dogs.

Go-Getter

Want to get more exercise? Action is my middle name. My 'let's GO!' lifestyle will keep you motivated to get outside and move. I've got tons of energy, and just like the sun, I'm burning and working 24 hours a day, seven days a week. I'll run for miles, chase a ball for hours, and still want to play at the end of the day.
